

2011 State of Iowa Enrollment & Change Period

October 29th–November 29th

Dental Insurance

Information for 2011

- This year's *OPEN dental enrollment and change period for Retired/Disabled members is from October 29, 2010 through November 29, 2010. Changes made will be effective January 1, 2011.
- There are no changes to the dental benefits for 2011. This notice is to advise you of the premium change effective January 1, 2011. The new premium amounts will be reflected on your monthly billing statement or through your automatic withdrawal payment. There is approximately a 1% decrease in the premiums for 2011.
- The State of Iowa dental plan has only single and family rates. We do not offer rates for a retiree plus one. This means that if your dental policy covers you and your spouse (who is not a State of Iowa retiree), you cannot have two single policies, you must have a family policy. If your spouse was a State of Iowa retiree also, you can have two single policies instead of a family policy.
- With the passage of healthcare reform legislation, an eligible dependent child may be covered on your health and dental insurance coverage through the end of the calendar year in which they turn age 26. An adult child can be a student or non student, live anywhere in the country, and could be married (dependent's spouse is not eligible for coverage). A full time student over the age of 26 can be on coverage for as long as they remain a full time student, and are unmarried. Disabled children can remain on coverage as long as they are unmarried and the disability occurred before age 27, or while a full time student.

*OPEN Dental Enrollment

You have an OPEN dental enrollment opportunity during this year's enrollment and change period. During this time period, current members may add eligible family members to their existing dental plan. The effective date of coverage for the newly added dependents will be January 1, 2011.

If you wish to make a change, you must obtain a Delta Dental application from either the Department of Administrative Services, our website, your former department's Personnel Assistant, or directly from Delta Dental. **The application must be signed and received by the Department of Administrative Services—Human Resources Enterprise no later than November 29, 2010.**
